A qualifying event for the
London Junior Chess
Championships

We are grateful to the Headmistress and Governors for the use of Wycombe High School for this event. We would like parents to consider the other uses of the school during the day and if possible share lifts to the school in order to reduce parking congestion.

To ensure that the school is kept tidy, all food and drinks should be consumed in the area provided.

Wycombe High School is located one mile South of the town centre on the A404, at the traffic signal controlled junction with Marlow Road.

The tournament is organised by the Bucks Youth Chess Association.

Supervision of Children

The organisers and their helpers cannot act 'in loco parentis' for juniors.

Parents/guardians are responsible for their children at all times and in all places during this event.

BYCA is run by volunteers and help on the day is always appreciated. If you could offer to help for part of the day, please contact the tournament secretary.
